**PETITIONING THE COURT**

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 07/23/2024 (docketed on 07/24/24).

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

10	<b><u>Special Condition #18:</u></b> You shall abstain from the use of illegal controlled substances, and shall submit to testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
----	--

**Supporting Evidence:** Ms. Randall is considered to be in violation of her term of supervised release by failing to submit a valid urinalysis by having tampered with drug testing on or about July 23, 2024.

On July 23, 2024, Ms. Randall reported to the probation office and she was instructed to complete a drug test. Ms. Randall completed a drug test, the test was packaged and sent to Abbott Laboratory for testing.

The probation office later received the drug test report from Abbott Laboratory, confirming the specimen was dilute and not consistent with normal human urine. Ms. Randall failed to submit to a valid urinalysis as required.
